

# Sign the Petition for the Unborn Child and the Family

Help C-FAM gather 1,000,000 signatures

Be one of a million people to tell Members of the UN to interpret the Universal Declaration of Human Rights as **protecting the unborn child from abortion** and **giving special protection to the family** as they **originally** declared. Help us remind them of their promises! All signatures will be presented at the UN this December.

**To sign go to:**

[www.c-fam.org](http://www.c-fam.org)

( and click the image of the children on the top right )
